

## A Small Piece of a Big Picture: ideas and inspiration

Our community is made up of the amazing people within it. This exhibition aims to capture the thoughts and feelings felt by you as individuals during lock down as well as your hopes for what happens next. Your individual contributions will be priced together to create a larger installation as part of the exhibition as a whole.

On a 10cm by 10cm square piece of paper we would like you to write, sketch, paint or capture as a photograph something that tells us about what you love about our community. You can contribute as many of these as you feel inspired to do!

Please submit it by popping it in the post to us: Theatre by the Lake, Lake Road, Keswick, CA12 5DJ. Be sure to include your name and contact details. Alternatively, if you've taken a photograph and would prefer us to print it, please email it to: [communityexhibition@theatrebythelake.com](mailto:communityexhibition@theatrebythelake.com) with the subject line 'A Small Piece Of A Big Picture.'
